HALF DAY CAMP DESCRIPTIONS

SPORTS

ALL SPORTS CAMP

(ages 6-12)

Campers will focus on having fun, learning the rules and basic fundamentals of basketball, soccer, kickball, whiffle ball, flag football, gaga ball and more!

BASKETBALL CAMPS

Campers will focus on the fundamentals of basketball. We will work on dribbling, passing, and shooting skills. We will discuss rules of the game and both offensive and defensive strategies. Intermediate week for ages 10-12 & Junior week for ages 6-9.

LACROSSE CAMPS

(ages 6-12)

In this introductory level camp players will learn throwing, catching, scooping, and cradling skills through a variety of exercises and drills. Each day consists of skill work as well as competition and games. In the second week, campers will continue to practice skills learned in week 1 and will start to apply them in game situations.

(Campers can attend either or both weeks.)

SOCCER CAMPS

These outdoor camps will focus on the fundamentals of soccer. Campers will learn dribbling, shooting, juggling, and both offensive & defensive tactics. **(Intermediate Week for ages 10-12 & Juniors Week for ages 6-9)**

GIRLS VOLLEYBALL CAMP

(grades 6th-8th)

Campers will work on building their skills and fundamental understanding of the game each day. We will emphasize sportsmanship, teamwork, hard work and having fun.

HALF DAY CAMP DESCRIPTIONS

ARTS &
SCIENCE

CRAFT & CREATE

Join us for a short but fun-filled week of arts and crafts projects! Campers will work with a variety of materials on a wide range of activities including tie dye, weaving, jewelry-making, collages, and more.

MIXED MEDIA ART CAMPS

Get ready for a week of exciting drawing, painting, and mixed media projects! Campers will learn basic techniques and apply them to several different projects throughout the week. Following the end of camp on Friday, families are invited to attend their campers' art show, where campers will display their favorite projects from the week and take home their art portfolios!

(Intermediate week for ages 10-12 and Junior week for ages 6-9.)

KIDS' COOKING CAMPS

This camp is a highly supervised opportunity for campers to make several types of recipes. Campers will learn basic cooking and baking skills and even get to taste their creations every day!

(Intermediate week for ages 10-12 and Junior week for ages 6-9.)

SCIENCE CAMPS

Grab your goggles, put on your lab coat, and get ready for a fun-filled week of science experiments! Campers will explore reactions, STEM challenges, lab activities, and more throughout the week. Following the end of camp on Friday, families are invited to attend their campers' science fair, where campers will display their favorite experiments and projects from the week and take home their lab manuals.
